

# Pets in a Disaster

If a disaster strikes it is important to have a plan for our pets to make sure they are safe! Think about your pet or a friend's pet and fill in the boxes below.

Pet's Name: \_\_\_\_\_

Where is a safe place for the pet to sleep and rest?

What food and water will the pet need? How much will they need?

What other things might the pet need? (eg bowl, toy, litter, leash)

Who might help you take care of the pet? What is their telephone number and address?
