Tsunami and earthquake specialists

Dr. Víctor Huérfano

Interim director
Puerto Rico Seismic Network
Department of Geology
College of Arts and Sciences
Mayagüez Campus
University of Puerto Rico
(787) 833-8433
victor@prsn.uprm.edu

Prof. Christa von Hillebrandt-Andrade

Caribbean Tsunami Warning Program
National Oceanic and Atmospheric Administration
National Weather Service (NOAA/NWS)
(787) 833-8433
christa.vonh@noaa.gov

Dr. Alberto López Venegas

Seismologist
Department of Geology
College of Arts and Sciences
Mayagüez Campus
University of Puerto Rico
(787) 832-4040 x2014
alberto.lopez3@upr.edu

Prof. Aurelio Mercado

Department of Marine Sciences
College of Arts and Sciences
Mayagüez Campus
University of Puerto Rico
(787) 832-4040 ext. 3201, (787) 265-5461
aurelio.mercado@upr.edu

MSc. Lillian Soto Cordero

Puerto Rico Seismic Network
Department of Geology
College of Arts and Sciences
Mayagüez Campus
University of Puerto Rico
(787) 833-8433
lillian@prsn.uprm.edu

Description and analysis of tsunami deposits

Dr. Wilford Schmidt

Department of Marine Sciences
College of Arts and Sciences
Mayagüez Campus
University of Puerto Rico
(787) 832-4040 x2069
wilford.schmidt@upr.edu

MSc. Zamara Fuentes

Puerto Seismic Network
Department of Geology
College of Arts and Sciences
Mayagüez Campus
University of Puerto Rico
(787) 833-8433
zamara@prsn.uprm.edu
